Matt and Lea

Here is the draft plan between now and January 10th. As you will see, I am taking no leave in the next month, surrendered it all for this deadline.

If either of you plan leave between now and then, we'd appreciate knowing your schedule and potential availability (and contact info) while on leave. Hopefully we won't need to contact folks on leave, but given the current progress and HQ reviews over the holidays, we are planning accordingly.

Thanks,

Sara L. Laumann

Here is what I drafted based on leave schedules and our discussion today about next steps. Let me know if you all have any edits and I will finalize early Thursday morning. I'm at a retreat tomorrow, off-site.
